MEMORANDUM FOR Organizations using Area 4000 Barracks

SUBJECT: Fire Drills

1. Camp Roberts is making improvements to fire exits in certain barracks still having the older style ladder egress systems. Eventually, a more modern stairs system will be installed. Until then, I direct that organizations using those barracks conduct an initial fire drill, wherein personnel practice exit the second floor using the egress ladders.
2. The Directorate of Logistics will issue copies of this directive as required.
3. My telephone number is CAGNET 68201.
